DUST BARRIER SYSTEM

Envirosafe Ireland
Ensuring Safe Working Environments

ZipWall® – The only complete dust barrier system.

Spring-loaded poles create a dust barrier up to 6,1 m high using polythene sheeting or ZipFast reusable panels. Entryways to the barrier are easy to add with ZipWall® zippers or the new Magnetic Door. Tightly sealing all sides of the barrier takes seconds with FoamRail™ tapeless seals. The ZipWall® system, complete with specialty items and ready-to-use kits, provides professional contractors quick & easy dust protection solutions.

Set up a dust barrier in minutes – no ladders, no tape, no damage!
